RELEVANT EXPERIENCE

Protocol, New York, NY March 2020 – April 2020
Reporter

- Report and write pieces on technology — focusing on AI, the business of tech, the industry’s shifting power dynamics and investigative reporting — for the new tech publication from the publisher of POLITICO
- Develop relationships with industry sources for tips and exclusives
- Write and report for Source Code, Protocol’s weekday newsletter and podcast

Entrepreneur Magazine, New York, NY April 2018 – March 2020
Associate Editor

- Reported and wrote articles (including longform features and investigative pieces) on technology and business for Entrepreneur.com and print magazine
- Appeared in weekly news videos, produced signature video series, hosted regular episodes of How Success Happens podcast and hosted interviews on social media platforms
- Moderated panels and conducted live audience Q&As at Advertising Week, TAP and other conferences, including a panel on tech and happiness at SXSW 2019
- Reported solo from CES 2019 and 2020 on everything from AI-powered startups to tech giants
- One of 17 journalists chosen nationwide for CES 2020 Media Trailblazers program
- Discussed reporting on U.S. vacant storefronts feature in televised Yahoo! Finance segment

Various Publications, New York, NY Nov. 2014 – Present
Freelance Journalist

- Write freelance features for publications like Fortune, Mashable, ELLE, Men’s Health, Refinery29, The Points Guy, Atlanta Magazine and others

The National Press Foundation, Washington, D.C. Oct. 2018
Artificial Intelligence Reporting Fellow

- Chosen for the National Press Foundation's intensive artificial intelligence fellowship week along with 19 other journalists from publications based around the country
- Interviewed a variety of experts on AI’s potential impact on the economy and labor market, necessary bias and ethical considerations, role in autonomous vehicles and space travel, implications for healthcare and government regulation (plus visits to NASA and DARPA)

Jean Chatzky (Financial Editor, TODAY Show), New York, NY Feb. 2016 – March 2018
Lead Reporter

- Reported and wrote multiple articles per week covering business, tech, national news and personal finance (featured in NBC News, Forbes, TODAY.com, The Balance, BuzzFeed, etc.)
- Wrote weekly newsletter on business and money for more than 20,000 subscribers
- Assist with production on HerMoney podcast and appear in recurring “Hayden Helps” segment

The Daily Meal, New York, NY Sept. 2015 – Feb. 2016
Travel Editor

- Wrote news and feature articles and edited stories from a team of over 20 freelance writers
